

# Descriptive Reports

Did the student(s) include the following criteria?

## 1) Title Slide

- State your topic and your name(s).

## 2) Intro

- Describe what you will be talking about in your presentation. (IE: Appearance, habitat, diet, behaviour, reproduction, and other interesting facts).

## 3) Appearance

- Describe the animal in detail.
- Are there differences between males and females?

## 4) Habitat

- In which region do they live?
- Is it a hot or cold climate?
- Do they live on land, in the water or both?

## 5) Diet

- Are they a herbivore, carnivore or omnivore?
- What do they eat?

## 6) Behaviour

- How and where do they hunt? Do they graze for food?
- Is the animal extinct or close to extinction?
- What is the current population of the species?
- How often do they sleep?

## 7) Reproduction

- How many babies do the female have?
- What do the babies look like?
- How long do they stay with their mother?

## 8) Other interesting facts (optional)

## 9) Conclusion

- Thank the audience for listening to your presentation.
- Cite your sources (IE websites and books that you used to gather your information).
